MANAGING CEUS AND CFM[®] MAINTENANCE POINTS

You are eligible to receive Continuing Education Units and Certified Facility Manager[®] maintenance points for attending sessions at IFMA's World Workplace.

To receive 20 CFM maintenance points:

Record your attendance on your CFM Recertification Worksheet. At recertification time, submit your completed CFM Recertification Worksheet.

To receive CEUs:

Pay the US\$12 processing fee when you register for the conference. Visit the CEU Kiosks at registration or log on to <u>http://ceu.experient-</u> <u>inc.com/WWC121</u> and pass a five-question assessment developed by the speaker. CEUs can only be earned upon successful completion of the assessment. Your transcript will be emailed to you.

Individuals seeking CEUs or LUs from other organizations must contact those organizations for instructions on self-reporting credit hours.

Smart facility management drives smart business.

Come, Learn, Get Connected.

IFMA's WORLD WORKPLACE 2012 The Facility Conference & Expo

<u>San Antonio</u>

Oct. 31 - Nov. 2 Henry B. Gonzalez Convention Center

Smart facility management drives smart business.

Come, Learn, Get Connected.

www.worldworkplace.org

Alana F. Dunoff

Strategic facility planner for over 20 years; adjunct professor for over 9 years.

Education:

- M.S. in Facility Planning and Management from Cornell University
- B.S in Environmental Psychology from Boston University

Experience:

- President & Consultant, AFD Facility Planning since 2002
- Associate Adjunct, Temple University, BS in Facility Management Program
- Adjunct Instructor, Villanova University, FMP Credential
- Adjunct Professor, Moore College of Art & Design
- Project Manager & Design Principal, Little & Associates Architects
- Space Planning Analyst, Thomas Jefferson University & Hospital
- Strategic Planner, Pesce Associates, healthcare merger/master planning.

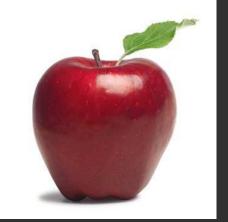

Professional:

- Presenter at WWP 2003, 2008-2012
- Chair of the new FM Educators SIG, 2010-present
- Advisory Chair Member Cornell University FM/DEA Program
- Advisory Board Member Community College of Philadelphia FM Program
- Advisory Board Member Temple University FM Program
- Director on the Board of Directors for IFMA 2003-2005

A SMARTER RFP PROCESS

Getting Apples to Apples

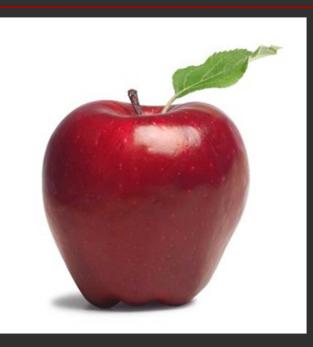

How do we make smart decisions?

Luck?

Good Smart Data

Apples

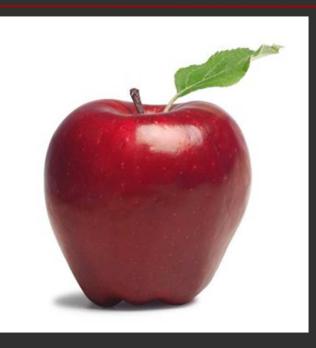

Apples

Comparable data

Apples

What we get

Fruit Salad

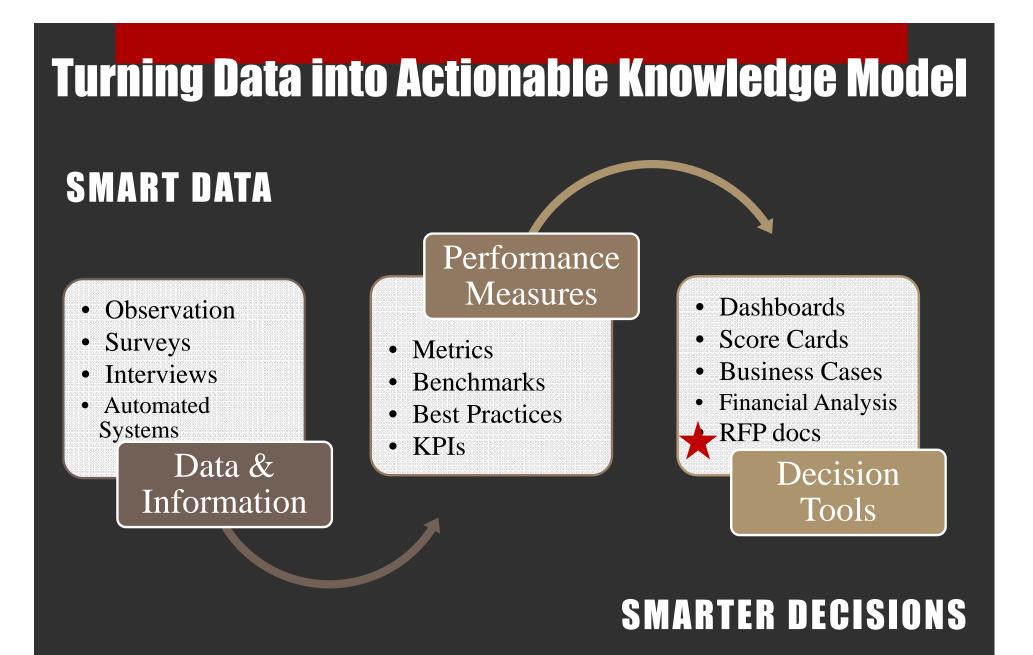

Variation

The ideal

A Smarter RFP Process

Turning Data into Actionable Knowledge

1. RFP 101

- 2. Crafting the RFP Document (framework)
- **3**. Getting Apples to Apples

(aka quantitative comparative analysis)

Agenda

REQUEST FOR PROPOSAL (RFP) : Formal statement to vendors about service, work or product required.

- Document for finding solutions
- Bidders invited to submit a proposal
- Creativity and innovation count

1. RFP 101 - Definition

- RFI Request for Information
- RFQ Request for Qualifications
- RFP Request for Proposal
- ITT Invitation to Tender
- RFQ Request for Quote
- Technical RFP

1. RFP 101 - Terminology

1. RFP 101- Procurement Process

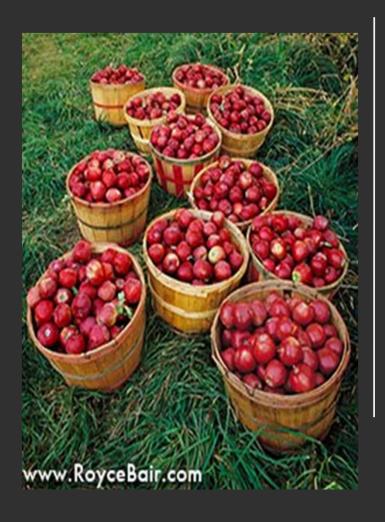

Courtesy IFMA FMP Finance & Business Module Version 1.1 2011

2. CRAFTING THE RFP DOCUMENT

Creating the framework

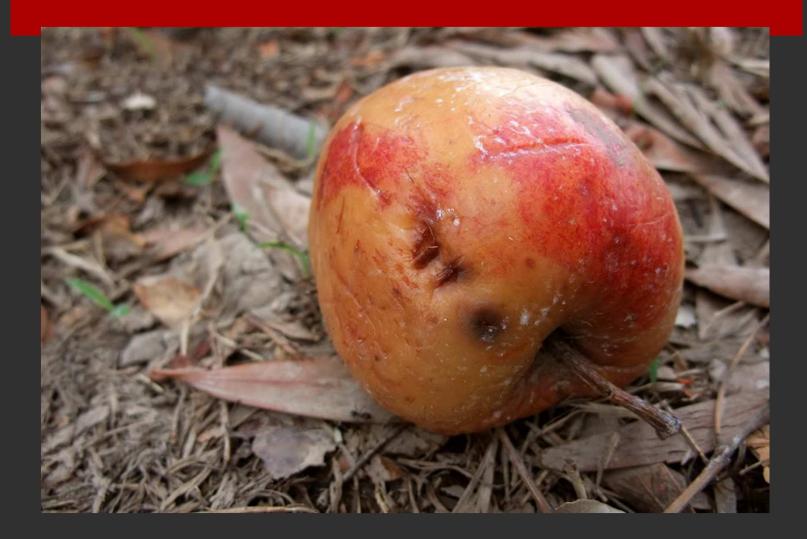

- I don't have time
- I don't like to write
- I don't know what we want/need
- Procurement handles it

Excuses

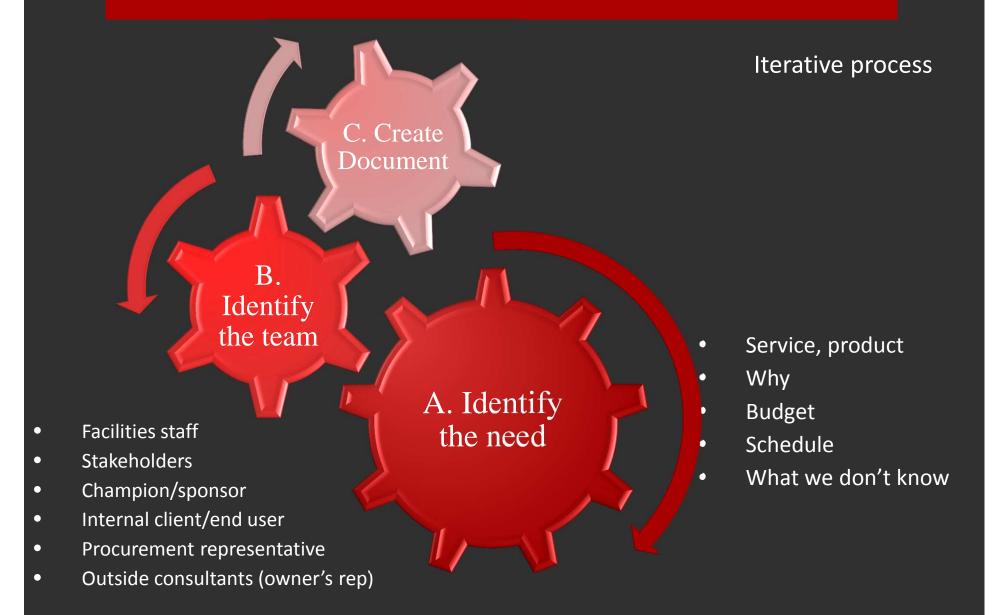

- Builds a framework
- Everyone is on the same page
- Bidders have good information
 - Better responses
 - Better solutions
 - Better pricing
- Less time fussing
- Ownership in the process
- Creating new partnerships
- You have to live with the results
- Avoid fraud

Value of investing in RFP process

Avoiding a Bad Apple

Process of creating an RFP

OUTLINE

- I. Background information
- II. Scope of work
- III. Submittal process
- IV. Terms & conditions
- V. Relevant documents

C. Creating the document

. BACKGROUND INFORMATION

- Your organization
- The project history
- Educate the readers
 - You want to them to understand your organization and your goals
- Keep it relevant
- Organization of the document

C. Creating the Document

L SCOPE OF WORK

- Clearly written objectives
- Specific/concise goals (2-3 max)
- Parameters what is AND what it isn't
- Provide details; don't be vague
- Specialized requirements
- If not sure, tell them that too
- Decision criteria

C. Creating the document

DECISION CRITERIA

- How will you select the winner?
- Let them know how they will be judged
- Develop quality measurements
 - Qualitative and quantitative
 - Performance measures

C. Creating the document

TYPICAL CRITERIA

- Price
- Best value
- Firm qualifications
- Qualification of project team
- Similar project experience
- Approach/methodology
- Financial strength

(Rating Scale 1 to 5)- 1=Poor; 2=Below Ave	erage	e; 3=Avera	ge; 4=Abov	re Average	; 5=Outstand	ding
Vendor	w					
WRITTEN PROPOSAL RATING		<u>Score</u>	Bus. Int. Score	<u>Weight</u>	Weighted <u>Score</u>	Weighted <u>Score</u>

Weighted decision matrix

Decision Criteria

A. Furniture

- Aesthetics
- Meet workplace
 Requirements (RFP)
- Flexibility
- Build quality
- Finish Quality
- Product life cycle

B. Financial

- Furniture Costs
- Discounts
- Warranties
- Installation

C. Qualitative

Firm Qualifications

- Project Management
- Project Experience
- Financial Strength/Viability
- Schedule Quality

General

- Creativity (of solution approach)
- Overall proposal (completeness)
- Aligns with vision of project
- Adheres to Specifications
- Adheres to Terms & Conditions
- Sustainability
- Solutions
- Recycling
- Approach

Example Decision Criteria

II. SUBMITTAL PROCESSES (Nuts & Bolts)

- Deadlines & milestones
- Submission information
- Standard proposal formats (AIA)
- Bidder meetings
- How project will be awarded

Furniture RFP Example

C. Creating the document

IV. Terms & Conditions

Standard procurement documentation

V. Relevant documents (appendix)

- Drawings
- Specifications, programming, design standards, adjacencies
- Service level agreement
- Special forms to completed & submitted
 - Include comparative analysis forms

C. Creating the document

2. GETTING APPLES TO APPLES

aka Comparative Analysis

WE NEED CONSISTENT INFORMATION

- We need data in comparable formats
- We need numbers to be on OUR terms
 Quantity, costs, hours, fees
- We don't need the extra homework

Getting apples to apples

Insist bidders utilize YOUR documentation to supply their information.

A simple bidder sheet using excel will do the trick

Getting apples to apples

Moving RFP

Scope of Work

The selected moving company shall:

- Move the contents of each employee's workspace to the CTC to include: 4-6 boxes of employee files/materials, docking station, monitor(s), keyboard, and task chair (items will be uniquely labeled by PJM)
- Disconnect/Re-connect desktops, docking stations, monitors, and keyboards (the "Computer Equipment") Bag/box and label the Computer Equipment
- Move contents of shared filing cabinets to CTC (contents will be packed in boxes by staff—filing cabinets will not be moved)
- Move confidential/sensitive files from HR and Finance (provide secure cartons that will ensure the security of contents)
- Provide, in advance of move, cartons to be used for packing workspace and file cabinet contents
- Provide, in advance of move, 12 different color moving labels

The move will take place over two weekends. The first move will involve approximately 130 employees and will begin the afternoon of Friday, January 27, 2012 and will be completed by Sunday evening. The second move will involve the remaining employees and will commence the afternoon of February 3, 2012 and will be completed by Sunday evening.

identifies a savings of S	5
* Crates would be easiest for er	n
*Crates must be returned with a	а
* Crates are bulkier and will clu	t

One vendor had cardboard boxes in their original proposal the others the plastic rentals. Made a difference in fees –plastic higher materials fees, but lower man power costs.

Why the details matter

1. Smart RFP Document

- 2. Comparative Analysis bidder/data sheet
- 3. Weighted Decision Matrices (next time)

One more smart tool

QUESTIONSP

Thank you! Feel free to leave a card and I'll send you the presentation.

- Alana F. Dunoff

My presentation today is dedicated to the memory of Shari Epstein, a long time friend of IFMA

www.afdfacilityplanning.com

Thank You!

For attending this educational offering at IFMA's World Workplace.

Be sure to evaluate the session at the registration kiosk or online at
